### **Does the JCC offer 100% financial assistance?**

No. The Katz JCC does not award 100% assistance as Funds are limited and there are many applicants.

### **What is the deadline for financial assistance application submission?**

The deadline for returning the Financial assistance application is based on **your** Membership renewal date. Please return your application *two months prior* to that date in order to be sure there is no interruption in your membership.

### **If I receive financial assistance, am I guaranteed that award each year?**

No. You will need to apply for aid each year as the aid you receive is for one year only.

### **Who determines whether or not I am approved for financial assistance?**

Your request for Financial assistance will be reviewed by a committee. They review each application individually and make an award decision based on each applicant's individual situation. The Financial Assistance Committee **WILL NOT** review incomplete applications. **It is extremely important that you are thorough in answering all questions and in attaching the required forms as per the instructions on the Financial Assistance Cover Sheet.** You will receive notice via e-mail or USPS if your application is not complete. Please keep in mind the Financial Assistance Committee makes the final decision on the awards and **the Financial Assistance Coordinator is not part of the decision process.**

### **Is the financial assistance process confidential?**

Yes. Your application is handled in the strictest confidence. The only person who will see your personal information is the Financial Assistance Coordinator. At no time during this process does the committee have access to your name or any other identifying information.

### **How and when will I be notified after my application has been reviewed?**

Notifications will be done by mail. Because of the confidential nature of our process we are unable to discuss awards over the telephone.

After we receive your completed application, you will receive notification of the

committee's decision via USPS within 10 business days.

**Can I receive financial assistance as well as a promotional rate?**

No. Financial assistance cannot be combined with any other offer.

**What are my payment options?**

You have a choice of either paying your balance in full before beginning to use the service or opt for a payment plan (after adjustment). Families opting for a payment plan (extended monthly drafts) must provide credit card payments (\$30 fee) or electronic funds transfer (EFT). Please note: you will be billed in full until you return the signed copy of the Financial Assistance Acceptance Form. Adjustments will be made once it is received.

**What if I have additional questions regarding my application?**

If you have additional questions regarding your application please e-mail the Katz JCC Financial Assistance Coordinator, Debbie Fee at [dfriedmanfee@jfedsnj.org](mailto:dfriedmanfee@jfedsnj.org) to the high volume of inquiries, e-mail is the preferred method. If e-mail is inaccessible you may call (856) 424-4444 x 1215. If your questions cannot be resolved via e-mail or phone, a meeting can be scheduled.

**Can I apply and receive financial assistance if my account is not considered "in good standing?"**

Assistance is only awarded to members in good standing. Financial Assistance applicants who have past due or have unpaid balances will not be considered "members in good standing" and will not be considered for any financial assistance awards. Failure to adhere to prior payment plan terms will be taken into consideration. Your accounts must be brought up-to-date before any financial assistance application can be processed.
