Updated: 1/23/24

Barre Above: Full body fusion workout with influences from ballet, yoga, Pilates and more. Use a variety of equipment to focus on large and small movements that challenge your muscular endurance, balance, core strength and postural alignment with low to no impact.

Barre Intensity: Barre intensity is a cross-disciplined style workout that combines attributes of Pilates, dance and functional fitness. It is a medium intensity workout that emphasizes proper alignment, balance, and core engagement.

Body Pump: Les Mills' original barbell class supplies a full body workout, choreographed to great music. Use light plates and high repetitions to train each muscle group in this fat burning weight training class.

BeFit Combo: Heart-healthy, low impact exercises energize your active lifestyle. Focus on building upper body and core strength as well as cardiovascular endurance by way of low weight, high repetition resistance moves.

Cardio Kick: Combination for cardio and kickboxing moves to burn calories and sculpt using light weights for a total body workout.

Chair Flow Yoga: Chair yoga is a practice that is beneficial to all. In these classes you will use the support of the chair to arrive in yoga poses, move, breathe & ultimately feel good!

Cycling: Combination of drills, challenges and training exercises with variations in speed and resistance on stationary bikes, set to motivating music. Classes may feature interval, strength, endurance, tempo or a mix, so no two classes are identical. On-bike monitors can be used to track performance.

Fit for Life: Senior fitness focused classes designed to work strength, balance, and cardio. Low impact and perfect for those who are just starting exercise and looking for guidance. This class is done without the use of a chair, so participants must be able to stand on their own. This class will teach you all you need to know to stay fit for life.

Forever Fit: This low intensity workout combines cardio, strength and flexibility, all modified to a seated position with some standing positions as well to challenge your balance. This class is perfect for the active senior, those with balance issues, or anyone who needs a very low intensity workout.

Gentle Flow Yoga: Enjoy a slow vinyasa/flow with assistance from block(s) and a strap. Perfect for those beginning their yoga journey or anyone looking for relaxing practice. House Party Fitness Throwback tunes and high energy dance moves are the heart of this party! Add in light weights for toning plus a little mat-based core work, and you've got a unique mix that's sure to leave you smiling and sweating.

House Party Fitness: Throwback tunes and high energy dance moves are the heart of this party! Add in light weights for toning plus a little mat-based core work, and you've got a unique mix that's sure to leave you smiling and sweating.

Les Mills Core: This program hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt as well as improving functional strength and assisting in injury.

Mat Pilates: Develop core strength and stability, and challenge postural muscles. May use a variety of props or just a mat.

Meditation: Learn the basics of mindfulness to help you relax. This practice teaches you to distance yourself from your mind so you can relieve stress and cope with the challenges of everyday life.

Qigong: A holistic system of coordinated body postures plus movement, breathing and meditation.

Rhythm Ride: A cycling class that is designed for the rider who loves to connect to the beat of the music and the energy generated from a great workout.

Sculpt & Tone: Build endurance and strengthen your upper body, lower body and core muscles using a variety of equipment.

Slow Flow Yoga: All level vinyasa style yoga, slightly slowed down to focus on stretches and mind, body and spirit.

Spin & Sculpt: A combination of cycling, mixed with using light hand weights to tone upper body during class.

Strength & Balance: Warmup followed by strength utilizing both weights and exercise bands. Balance practice both stationary and walking ending with stretch.

Step & Tone: A cardio class using the steps then ending with some sculpt and tone and abs.

Tai-Chi: Move through a series of standing postures to reduce stress while improving balance, blood pressure and bone density.

Total Body Conditioning: A total body workout incorporating strength, cardio and core utilizing various pieces of equipment.

Ugi Ball: Use a weighted ball for a series of basic 1-minute exercises that combine strength, cardio and core challenges.

Vinyasa Yoga Flow: This practice consists of mini flows, beginning with Sun salutation to warm up the body before moving into breath to movement asana, balancing and floor poses. These power sequences are a series of movements that flow one to the next on breath. This is a faster paced moving class suitable for students with prior yoga experience.

XCore: Heart-pumping intervals of strength, power, resistance and abs training target your core from all directions. Engage in dynamic and isometric movements using a variety of equipment such as dumbbells, bands, gliders, BOSU and more.

Xtreme Mashup: Fast-paced interval training focusing on high intensity cardio, resistance and strength segments to build muscle and cardiovascular strength. Expect high reps and explosive moves using a mix of body weight and equipment (dumbbells, bands, battle and jump ropes, BOSU and more).

Yoga Stretch and Flow: This is an all-levels class, in which gentle postures are held for several minutes to facilitate a deep stretch in the body.

ZenFit: An athletic workout combining high intensity vinyasa yoga with cardio, light weights and core focus. Get the best of both worlds with a challenging workout and a chill mental state.

Zen Flow Yoga: Awaken, recharge and connect your body and brain in this vinyasa flow class using a variety of breathing techniques.

Zumba®: High energy fitness moves come together with dance steps to create a cardio party. Repetitive choreography and interval intensity pair with international music in this easy-to-modify format led with non-verbal cues: the beat is our common language!
