**EARLY CHILDHOOD CENTER**  
 at the Katz 

**Our qualified and dedicated staff provide excellent attention to all our students. This is one of the many reasons that we've been an award-winning provider of Early Childhood Education in South Jersey for over 50 years.**

**Children enrolled in the Sari Isdaner Early Childhood Center enjoy the unique facilities of the Katz JCC, including swim, STEM, art, music, Zumbini, Yoga, physical education, and our indoor play structure called The Imaginarium. We teach our students about the Jewish holidays, and we celebrate Shabbat all together every Friday.**

**The only thing better than having peace of mind about our educational services, is knowing that your children love them as much as you do! Whatever the program, whatever the age, your child will receive individualized attention as they learn, play, and interact with their peers.**

**We use an electronic communication system called *Tadpoles*. Through this APP, parents and teachers can stay connected to share information, photos, videos, and details of your child's day. Daily reports will be especially helpful to infant/toddler parents as they include data about napping, feeding, and diapering.**

**\*Please see page 4 for information about our Saltzman Grant funded Scholarship - available to those who qualify.**
